<p>English Pick a country, maybe one you have visited or one you like to go to. With a grown up nearby, use the internet to find out some information to make a travel guide.</p> <p>https://www.natgeokids.com/uk/ is a useful website</p> <p>Write a postcard, pretending you are on holiday. What adventures did you get up to? Who will you send your postcard to?</p> <p>Read a story about an animal from a different country. Can you draw, label and write 3 non fiction facts about it.</p> <p>Play Obb and Bob on www.phonicsplay.co.uk. Try the phase 5 sounds.</p>	<p>Maths With a grown up, follow a recipe to do some cooking. It could be pizza, biscuits, bread etc or even playdough. Weigh the ingredients carefully. (Don't forget the washing up!)</p> <p>How could you share what you have made equally? Think about halves or quarters or even thirds if there are 3 of you!</p> <p>Make a roleplay shop to buy the ingredients or what you have made. How much would it cost? How much change would you get?</p> <p>How many ways can you make 20p 50p or £1?</p>	<p>Science -Using clean recycling or a selection of different toys, how could you sort them into different groups? (What they are made from, what they look like, how they feel) -Have a look through this webpage and try some of the activities for materials. https://www.bbc.co.uk/bitesize/topics/zrsgqk7 -Try building different houses for a toy, you could use lego, cotton wool, cardboard, tin foil etc. With a grown up test them in the wind and rain: Which is the best if it's windy? (Use a hairdryer or fan) Which is the best if it rains? (On a tray pour water over it) Can you leave your toy in its house overnight and check on it to see if the house was strong and waterproof?</p>	<p>ICT Create some instructions for someone to follow using directional language Make a maze from things at home (Lego, straws, shoes) How do you get from one end to another? Share anything you do at home on your Dojo</p> <p>Thinking about Geography, write some instructions to find some treasure on your map.</p> <p>On a tablet, use the app Scratch Jnr to make a character. You can then follow the instructions to make a story.</p>	<p>Physical With a grown up, can you make an obstacle course in the garden? How do you travel around it? Can you use your points and patches to travel? Can you balance on different parts of your body? How long for? Register for Gonoodle (free) and have a dance around the lounge. www.gonoodle.com -Have a go at 'Cosmic kids' yoga - you can find the sessions on youtube. -How many star jumps can you do in 30 seconds? How many hops can you do...skips...bunny hops. -Balance along a chalk line in your garden, can travel and balance in different ways?</p>	<p>PHSE What can you do already that you are really proud of? What would you like to be able to so? How will you get better at doing it?</p> <p>Think about a friend or family member. What can they do that you are really proud of?</p> <p>What kind of things can you do to help your family at home... have a go at- Setting the table Washing up Tidying your bedroom Check that the rubbish is in the right bin (recycling) Pay somebody a compliment Offer your help to others</p>
<p>History Lots of people enjoy going to the seaside for their holidays, it was the Victorians who started this trend. Watch Magic Grandad and come up with a list of activities people did at the seaside 100 years ago. https://www.youtube.com/watch?v=RZIL77ZfXkI Do you enjoy doing the same things at the seaside? What else do you do?</p> <p>Can you find out about a famous explorer? Where did they travel to? What did they discover? Make a poster about them.</p>	<p>Geography Make a map of your house or bedroom. Can you plan where things are like your bed, the door, toybox? Maybe you could turn it into a treasure map and hide something, like a teddy, for someone in your house to find? X marks the spot! You could even write some clues or instructions for them to find the treasure.</p> <p>Find out where Barnaby Bear has travelled to https://www.bbc.co.uk/bitesize/topics/z9grd2p/resource/s/1</p>	<p>Art Can you draw some spring flowers, like daffodils or tulips. (You could use this to make a Mother's Day card) Remember to draw it lightly so you can change any mistakes. Think carefully about the shape of the petals and the colours that you could use.</p> <p>Can you design an Easter egg? Will you draw patterns or pictures?</p> <p>Collage a Spring animal baby. Use some leftover materials or recycling that you have at home.</p>	<p>Design Think of a famous landmark from around the world. Which country is it in? Could you make it from junk modelling? What would be good to make it from? How will you decorate it? If you made it again, what would you change?</p> <p>Make some biscuits (linked to weighing for maths) how could you decorate them using patterns? If you had to give your biscuits a score what would it be? How could you make differently next time?</p>	<p>Music Choose some different radio stations and listen to different types of music. What instruments can you hear? How does the beat affect your body? Do you like it or not? Explain why.</p> <p>What's your favourite song? Try to recreate it by listening carefully to the sounds you can hear and the song's structure. If you have instruments, use them. If you don't, find some items around the house you could use, such as: pots, pans, spoons, lids from sweet tubs etc.</p>	<p>R.E Virtual Tour of a Mosque: https://www.reonline.org.uk/specials/places-of-worship/islam_video.htm Share what you found out How is the mosque similar or different to a church?</p> <p>Easter: The Easter Story https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks1-the-christian-story-of-easter/zhqv47h Can you retell the story? Why is Easter important to Christians?</p>

	Can you find the countries on a map of the world? Which continents are they in?		Could you change the flavour or decorations?
