 @Abbotsfarminf

The children have all been very busy this week with our whole school book 'Here We Are' by Oliver Jeffers. They have been looking at where they live and our planet. I will be collating some of the children's learning from this book into a video to share on Class Dojo so they can see each other's learning and parents can also see what we have been doing.

### SCHOOL PHOTOS

On Tuesday 6<sup>th</sup> October we have our school photographer with us. We will not be able to organise the day like we have done previously. This year we will no longer be able to allow photographs with siblings from another setting including Abbots Farm Junior School before the start of the school day.

If your child attends our Preschool but is not in session on a Tuesday morning and you would like a photograph taken please contact our school office by email on [admin2410@welearn365.com](mailto:admin2410@welearn365.com) and they will allocate you a time slot during the morning.

### BIKE RACKS

Our bike racks are unfortunately situated where our Preschool parents have to line up to drop off and collect children. If using them you may have to wait to safely store or collect your bike. We ask that our Preschool parents are mindful of people waiting to collect their bikes and give them the space to do this.

### WEEKLY CLASS ATTENDANCE WINNERS

Congratulations Ladybirds for the award last week gaining 96% attendance.

### PLAYGROUND

Thank you to everyone who has been wearing a face covering when on our playground. This is helping us to reduce the risk to our families and community.

Please do not let your children play on the playground before or after school. At the end of the day we need people to leave our site promptly.

### OUR STAR PUPILS LAST WEEK
