

Reception News - September 2016

Our topic this half term is Super Heroes

How you could help at home:

If you wanted to you could make a scrap book to show us your favourite super heroes.

Talk about the people who are in your family.

Staff

Ladybirds. Class teacher-Miss Bull, Teaching assistants- Miss Picton, Mrs Headley, Mrs Holland (a.m) & Mrs Townsend (p.m). PPA cover- Mrs Hancock. Dinner lady- Mrs Broom

Butterflies. Class teacher- Miss Hetherington. Teaching assistants- Mrs Sutton, Mrs Dhokia. PPA cover- Mrs Curtis. Dinner lady- Mrs Beesley

Settling In

All of the children have made a great start to school and have settled in well. We are very impressed with how busy they are during the day, they particularly enjoy learning outside and being busy in our role play house.

Lots of children have made new friends and they are trying hard to remember their names. Perhaps you could ask them who their friends are?

A big thank you to all parents/carers for leaving promptly at 8.55am, just to reassure you we all have big smiles on our faces by 9am!

You may have noticed each child has a square in the corridor. We will be using these to display home learning. Please bring in any certificates etc that your child achieves out of school as we can display these too.

On a **Wednesday** you will find Mrs Curtis and Mrs Hancock in the classrooms, they are teachers who cover us each week.

Miss Bull and Miss Hetherington are usually in school on these days undertaking planning, assessment and management roles. Any member of staff can help you at any time.

Outdoors

We use the outdoor area in all types of weather. Please could you bring a named pair of wellies to be left at school. This helps to protect our carpet and your school shoes.

Learning Journals

At the end of this half term you will have the opportunity to look at your child's learning journal at parents evening. We always welcome comments and contributions from home and will be asking you to contribute to the learning journal.

Family Phonics sessions will take place each **Friday** at 8.55a.m - 9.20a.m., These are fun sessions where you can learn with your child. So if you are able to please stay in the classrooms ready to learn with us. These will start on Friday 30th September. Younger siblings are welcome.

Reading Books

Remember to change your child's reading book regularly. Please ask any member of staff if you are unsure where these are kept.

P.E

P.E days are **Tuesday** and **Thursday**.

Please make sure your child has a named pair of shorts and t shirt by Tuesday 27th September.

Uniforms

All children look really smart in their new uniforms. However, we have noticed that there are some unnamed items. Please can you make sure your child's name is in all items.
