Learning

This half term our creative curriculum theme is called 'The Tudors'. This will have a History focus and we will be looking at the wives of Henry VIII. In ICT we will be learning basic computer skills to support us with learning across the curriculum as well as how to keep safe online. In Science we will be learning about forces and hope to visit the GEC park. Information to follow. In Art we will be comparing different artwork as well as creating our own portraits.

PE Kits

Please ensure a PE kit is in school on a Monday and Tuesday with swimming kit needed on Fridays.

Please can girls wear an all in one costume and long hair be tied up.

Swimming hats are very useful especially as the weather gets colder.

Also, please make sure that all jewellery is removed on these days.

Reading

It is still important that you listen to your child read regularly. Discussion of the text is also essential. Please sign the half term reading diary as this will earn them points towards their reading certificates. We will be checking each Friday.

This half term certificates will be awarded for the number of days that reading happens.

Homework

In your child's homework book you will see a bingo square. Your child needs to complete at least one piece of homework a week. This is due in on a Thursday and we will return the books on a Friday.

Please can you update contact details, like mobile numbers, at the office. Also make sure that you check book bags for letters regularly. This week we have sent home a letter about who can collect your child. Please can this be sent back as soon as possible if you haven't done so already.
