

Caterpillar News - June 2021

Session Times AM 8:45 - 11:45 Lunch 11:45-12:30 PM 12:30 - 3:30

Thank you for your continued support over this year!

Our topic this half term is: Great Outdoors

How you could help at home:

We are talking about going on different adventures (imaginary or real). Talk about any places that you are visiting, for example a visit to the park. You could put photos on Dojo to share with the other children We are also encouraging the children to ask questions to find out more information. Please provide opportunities for your child to do this.

Science Week

Next week (week beginning the 14th) is Science week. We will be reading the book 'What We'll build' by Oliver Jeffers and investigating different structures and innovation.

Dojo

If you did anything exciting over the half term or are visiting anywhere please share this on Dojo, we would love to hear about it. These will then be added to their Learning Journal.

Dates

- 14th June - Science week
- 7th July Induction Day
- 9th July school reports
- 12th July new to reception story session 2PM
- 15th July new to reception story session 9:30

Named clothes

Thank you to all parents who have named their children's clothing. We still have an incredible amount of jumpers & cardigans without names. This makes it very hard for children to find their own clothes & for us to help them. Please, please, please can you double check that all clothing is named.

Star Book

This half term our star book will be Train Ride.

<https://www.youtube.com/watch?v=HbE8kaBDKU>

Encourage your child to join in with this story and retell it. Talk about the main characters and the setting. We also be reading Bear Hunt and go on our own adventures.

Art Project

Each class are creating a piece of art to display in school made from recyclable materials.

In pre-school we are need green items such as: crisp packets, bottle lids, sweet wrappers, wall paper/wrapping paper etc

We are also using old socks and tights.

If you are able to help, it will be much appreciated.

Squiggle Whilst You Wiggle

In squiggle we will be focussing on making letter shapes using cursive font. We will start with letters using an up and down movement including l, t, u, y. Please help your child to make these letter shapes as they find this more tricky.

Pre-school Rules

Use quiet voice

Walk inside

Look after the toys

Use kind hands

Use kind words

These make sure we are happy, safe and able to learn.

Ten Town

We will be meeting the next set of characters over this half term. Look out for them on Dojo.

Summer

Please remember to apply sun cream before the beginning of a session (morning and afternoon) in the hot weather. If you child is in session for a full day please ensure they have named sun cream in school and we will help them to apply this over lunchtime. They also need to have a named sun hat and a named water bottle.
